"Provision of software Engineering Services Waveform Data Acquisition, Processing and Dissemination (SWES-SHI)"

| Item# | Question | Answer |
|-------|---|---|
| 1 | Are we allowed to suggest any modifications to the contractual terms and conditions. Specifically, can we propose to exclude "slight negligence" from all aspects of liability? | The Commission's Model Contract and General Conditions of Contract are standard terms and conditions and their acceptance without deviations is required. Note the provisions of Section 13(b) of the Instructions for Preparation and Submission of Proposals and its Attachment 2 (Evaluation Criteria and Method) indicating that the award of the contract is subject to contractual acceptability. |
